## Is this program for you?

Please describe what fighting invasive aquatic plants that are taking over Lakes and Ponds in the Adirondack Park would mean to you:

SCUBA is an international language and the certifications that you will earn during this internship are recognized worldwide. If you could go on a dive trip anywhere in the world, where would you go?

The spread of invasive aquatic plants has impacted communities and waterbodies globally. Has this ecological disaster affected you or anyone you know?

What are your favorite outdoor activities? Do you like to swim?
